Me? I'm having one of my intermittent moments of hope for the human race.

Thank you

...And there goes the weekend

But hey, we got a day and a half of this one! And I got to sleep in for two whole mornings. Too bad

Hope? Yes. But my inner cynic notes that the ~~forces of stupid~~fundies and conservatives are already talking about how they are fighting back.

I mean, yeah, I'm glad/ecstatic at this step towards rationality.

Just bummed that it wasn't a crushing defeat I guess.

\*breaks out the confetti\*

I have to say, this was really awesome news to come home from school to.

Put me down for a share of that reward, and pass on the directions you get if they turn out to be accurate.

Just saw that myself elsewhere...sometimes people just do the right thing, yes they do. It made me happy.

Now we just have to hope that the ACT can push its same-sex marriage legislation through...

WTF do you mean, "redeems"?

CA is a hell of a lot more progressive than a lot of places, and you all can just fuck off with your "ooh, dippy new-agers" crap.

(Happy birthday, by the way!)
